Clinical and Translational Research Student Application

Student Name:________________________________ Student ID#__________________ Date:_____________

Major:_____________________________________ Current standing: _______________________________

Students who would like to enroll must meet the following course requirements:

1. GPA – Minimum 3.0 (GPA’s of 2.5-2.99 will be considered base on availability)
2. Completion of Lower Division Writing
3. Completion of or Concurrent Enrollment During Fall Quarter in Bio194S
4. One year commitment – Cannot be planning to graduate during Fall or Winter Quarter

Before submitting this application, please make sure that you meet the minimum requirements.

Please complete the following questions in a concise manner.

1. Why are you interested in the Clinical and Translational Research program?

2. Are you interested in the research studies (PH 194) or be placed in a community-based research setting (PH 196) track? Why?
3. What research, volunteer, or internship experience(s) do you have that would help supplement this experience? If none, what do you hope to get out of this experience?

4. What other commitments do you have for the upcoming school year?

5. If your GPA is below a 3.00, what caused it to fall below a 3.00?

Please submit this application and a copy of your unofficial transcript to the email for the Program in Public Health, Community Engagement Coordinator rociot1@uci.edu and phpracticum@uci.edu
