General Education requirements are subject to change and are based on catalog year. Please select General Education classes based on the list in the UCI Catalog. Only courses selected from this list will count toward G.E. Please refer to General Education requirements list in the UCI Catalog or the UCI website.

*If you have satisfied a math requirement thru an AP or an IB score, you will need to satisfy all three requirements.

Please see an academic counselor if you have any questions about General Education Courses.
