| Research** | (4 units) | Research** | (4 units) | Research** | (4 units) |
| UD Major Topic | (4 units) | UD Major Topic | (4 units) | UD Major Topic | (4 units) |
| Upper Div BioSci | (4 units) | Public Health 101 | (4 units) | UD Major Topic | (4 units) |
| Public Health 195W | (8 units) | UD Major Topic | (4 units) | Upper Div BioSci | (4 units) |
| <hr/> | | <hr/> | | <hr/> | |
| | 16 units | | 16 units | | 16 units |

180 Units – B.S Requirements Completed

This plan assumes the following:

- Full UC - IGETC Certification completed with 105 quarter transferrable units.
- Entry Level Writing, American History, and American Institutions requirements met upon admission.
- Minor/Elective may require nine courses with 8 units of overlap between major and minor.
- *Can fulfill all of the Math Requirements through semester units by completing Math 2A or 5A and Statistics.
- All major requirements must be taken for a letter grade.
- ** Research is encouraged but not required.

~~~~~  
 Required lower- division courses earned through Advanced Placement credit or transfer units may affect the academic plan. Please review your transfer courses through [assist.org](http://assist.org) or with an advisor for articulations. This plan is only a guideline and may vary based on course availability
