

UCI Program in Public Health

Bachelor of Science Degree

THREE - Year Plan

FIRST Year

FALL

Public Health 1 (4)
 Writing 39B (4)
 BioSci 93 (4)
Chem 1A (4)
 16 Units

WINTER

Public Health 2 (4)
 Writing 39C (4)
 BioSci 94 (4)
Chem 1B (4)
 16 Units

SPRING

Statistics 7/8* (4)
 LD SBS (4)
 Gen Ed (4)
Chem 1C/LC (6)
 18 Units

SUMMER

Bio 100 (4) (SSI)
 LD SBS (4) (SSI)
 BioSci 99 (4) (SSII)
 Chem 1LD (2) (SSII)
BioSci 194S (1) (SSII)
 15 Units

SECOND Year

FALL

BioSci 97 (4)
 Chem 51A (4)
 Gen Ed (4)
LD SBS (4)
 16 Units

WINTER

BioSci 98 (4)
 Chem 51B/LB (6)
 Minor/Elect (4)
Gen Ed (4)
 18 Units

SPRING

UD Env/Global (4)
 Chem 51C/LC (6)
 Gen Ed (4)
Gen Ed (4)
 18 Units

SUMMER

Math 2A* (4) (SSI)
 Gen Ed (4) (SSI)
 Math 2B* (4) (SSII)
Minor/Elect (4) (SSII)
 16 Units

THIRD Year

FALL

PUBHLTH 195W (8)
 UD Epi/Gen/Infor (4)
UD BioSci (4)
 16 Units

WINTER

PUBHLTH 101 (4)
 UD Infect/Chron (4)
 UD Topic (4)
Minor/Pre-Req (4)
 16 Units

SPRING

UD BioSci (4)
 UD Topic (4)
 Minor/Pre-Req (4)
Minor/Pre-Req (4)
 16 Units

180 Units – B.S. Requirements Completed

This plan assumes the following:

- Full UC - IGETC Certification completed with 105 quarter transferrable units.
- Entry Level Writing, American History, and American Institutions requirements met upon admission.
- Minor/Elective will require nine courses with 8 units of overlap between major and minor.
- *May fulfill all of the Math Requirements through semester units by completing Math 2A/5A and Statistics.
- Research is encouraged but not required.
- All major requirements must be taken for a letter grade.

Required lower- division courses earned through Advanced Placement credit or transfer units may affect the academic plan. Please review your transfer courses through assist.org. or with an advisor. This plan is only a guideline and may vary based on course availability.
